

CAMPAIGN SIGHTFIRST II MODEL CLUB APPLICATION AND COMMITMENT FORM

What is a Model Club?

A Model Club is a club that, because of its extraordinary commitment to Lionism and the SightFirst program, agrees to lead the way in Campaign SightFirst II. These clubs must raise or pledge to raise the minimum per-member average in their constitutional area in Lions year 2006-2007.

Clubs are asked to consider utilizing the four components of the CSFII "Comprehensive Method":

- Personal gifts and pledges by members
- Personal gifts and pledges by non-members
- Club fund-raising activities and events (*Expected proceeds from fund-raising events can be factored in for a three-year period when setting a goal*)
- Matching or outright gifts and/or pledges from club treasury
